

Angela Henrichs – Saniti

Porcelain Ceramist

My role at Crocus

Angela creates ceramic/glass restorations representing nature's natural dentition. She works with porcelain at all stages of completion.

Advanced dental lab training

- Zahn Dental High Technology Forum, Aki Yoshida
- Esthetics and Efficiency, Oliver Brix
- Training from Willy Geller and the oral design team

Personal Mission Statement

I want to continue to grow with knowledge through education, tips, and techniques. By attending seminars and lectures I keep up with the latest developments and technology which helps me to enhance my skills and porcelain techniques. I feel it is important to work as a team and share knowledge with one another so as technicians we can create the most pleasing results for the patients.
